Skills and Attributes

Head Coach Joe Woodruff states, "Antonyo played nose guard for us this season. He was without question our most improved player over the course of my two seasons at Northwest. He has tremendous natural strength that can be built upon. He has a world of potential growth as a football player. I feel his best days of football are ahead of him. He played nose guard in our 3-4 scheme but I feel with his size he would be a good 1 or 2 even 3 technique player in an even front. He has a great personality and is a joy to be around. I feel he has tremendous character and moral resolution". Antonyo is very strong, quick, athletic, intelligent and extremely coachable. He is gifted with great footwork and foot speed; he has natural strength coupled with his enormous work ethic. He possesses outstanding time management skills, a solid work ethic, and the ability to prioritize his responsibilities and is well disciplined. He exhibits maturity, confidence and leadership on and off the playing field, as demonstrated by commitment in the weight room. Antonyo is the first one in the weight room and the last to leave. Antonyo brings all the skills and abilities coaches are looking for in a talented college prospect. He will make an excellent contribution to any football program that values intelligence, talent, hard work and integrity.
