Skills and Attributes

Ricky Proehl states, "Chase came to my football camp this summer and was an impressive athlete. His strong arm coupled with his speed and agility will make him a force to be reckoned with on the football field." Chase attended the Proehlific Park Football Camp and worked with 4 professional football players working on his technique and arm strength. Chase was taught how to read defensive coverage's and make quick decisions with the football. He is a very serious student of the game always inquiring about tactical situations and options then brings these tactics immediately into the game. He exhibits maturity and confidence on and off the playing field. Chase brings all the skills and abilities college coaches are looking for in a talented college prospect. He displays his winning attitude by his dedication in the classroom as well as his involvement in his associations, volunteering, baseball and track. Chase will make an excellent addition to any football program that values talent, hard work and integrity.
