Skills and Attributes

Head Coach Brent David states, "William has superior athletic talent; great size and speed; first year playing linebacker however CJ is catching on quick. William is extremely smart and plays the game with great effort. I've coached Linebacker's for several years' and I've seen four of my Linebacker's go on to play Division IA football. CJ has just as much ability and talent as any Linebacker I've coached." William has great footwork, field vision and tackling technique. He has great instincts on the football field and a nose for the football. William is working hard in the classroom to bring up his grades and has dedicated himself to the goal. William has many fine qualities; he is punctual, responsible, enthusiastic, honest, fearless and tireless. His aggressiveness and intelligent play make him a viable prospect at the next level. William brings all the skills and abilities college coaches are looking for in a talented college prospect. William is working hard every day to improve his speed, strength and ability; he is dedicating himself in the weight room. William will make an immediate impact at the next level; he will make an excellent addition to any football program that values talent, hard work and integrity.
